ABOUT ME

I am a dedicated and highly skilled web developer and software developer with a passion for creating innovative solutions and user-friendly applications.
I am excited about the opportunity to contribute my technical expertise and problem-solving skills to your organization. If you are looking for a results-oriented web and software developer who is adaptable, innovative, and eager to take on new challenges, I would welcome the chance to discuss how I can make a positive impact on your team.

PROJECTS

RAZORPAY WEBSITE CLONE:
Created a Razorpay clone using HTML and Tailwind CSS, replicating its payment gateway UI, demonstrating front-end development skills and attention to design details.

FIREWATCH GAME WEBSITE CLONE:

Developed a user-friendly Firewatch website clone using HTML and CSS, emulating its aesthetics and layout, enhancing web design proficiency and attention to detail. It shows the parallax effect.
